NEW TRAIL CELEBRATION RESCHEDULED FOR JULY 9

Due to the weather conditions this morning's Cottonwood Trail Opening Ceremony and bike ride has been postponed until next week. Please join Mayor David Begier on Friday, July 9th at 9:00 AM at Nadine Johnson Elementary School.

Bike riders will start at the western start of the trail as Mayor Begier and the Hutto Parks & Recreation Department lead a group to ride their bikes from Nadine Johnson Elementary School to Fritz Park. Families are encouraged to bring their bicycles & helmets as they travel just over two miles from point to point. As the riders arrive at Fritz Park, District 52 Representative Diana Maldonado will be greeting the riders at the finish with refreshments and snacks as they will provided at the end of the ride.

The City of Hutto, BWM Group, Chasco Constructors and TX DOT would like to invite everyone to join in the ride along the Cottonwood Trail Phase II. Now that the trail has been completed, an additional 2.1 miles of trail have been added to the City's official trail system. This TX DOT Enhancement Project was funded through TEA-21 and ARRA funding.

For complete information please visit the parks and recreation pages on the city's website www.huttotx.gov or stop by the offices. The Parks & Recreation office is located at 306 East Live Oak St. and can be reached at 759-4000.
